If you see content on the service that violates this Agreement, please report it from within the service or through our [Contact Form](#).

10.Purchases.

Generally. From time to time, Hot-Pet may offer products and services ("in-app purchases") for purchase through iTunes, Google Play, operator billing, direct billing by Hot-Pet, or other payment platforms authorized by Hot-Pet. In-app

purchase if you choose to make an appropriate payment provider and will be asked to confirm the purchase with your payment method (card, such as iTunes or Google Play or third-party account) ("payment method"void) application for the services you choose to purchase, in addition to your payment, and similar taxes are billed at a fee that can be applied to specified for hot-pet' s or any third party you allow to your billing account which is available for. If you purchase a periodic subscription that repeats itself through an in-app purchase, your payment method will be billed continuously for the subscription until you cancel it. After your initial subscription start period and again after the subsequent subscription period, your subscription will automatically continue for an additional period equal to the price you accepted when subscribing.

Automatic renewal; payment by Automatic Card

Subscriptions are automatically renewed until you terminate or cancel the subscription. When you purchase a subscription, your payment method will continue to be billed monthly from the fee you accepted when you first subscribed within 24 hours of your first purchase date. Your card payment information will be stored in accordance with the contract and then used for payment by Automatic Card. Objections to a pre-made payment should be directed directly to customer support if they are billed by Hot-Pet or by a related third-party account, such as iTunes. You can also appeal by contacting your bank or payment provider, who can provide you with more information about your rights as well as applicable time limits.

You can unconditionally cancel your card automatic payment permission at any time by going to the settings of Hot-Pet or the relevant third-party account, but remember that you still have to pay outstanding debts.

If you wish to change or terminate your subscription, even if you have deleted your account with us or the Hot-Pet app on your device, you must log in to the third-party account (or settings on Hot-Pet) and follow the instructions to terminate or cancel your subscription. Deleting your Hot-Pet account or hot-Pet app from your device does not terminate or cancel your subscription; Hot-Pet will retain all amounts charged in your payment method until you terminate or cancel your subscription at Hot-Pet or a third-party account. If you terminate or cancel your subscription, you can use your subscription until the end of the current subscription period on that date, and your subscription will not renew after the current period.

You can edit your payment method information by visiting Hot-Pet and going to the Settings. If the payment is not successful due to an insufficient balance or other reason, or if the payment method cannot edit your information, cancel it, and continue to be responsible for amounts that cannot be paid, and if it is updated, you authorize us to continue billing by the payment method. This may cause a change in your payment invoice dates. You also authorize us to obtain updated or modified credit card or debit card expiration dates or Numbers as provided by your credit or debit card provider. Your payment terms will be based on your payment method and may be determined by agreements between you

and your financial institution, credit card provider, or other providers of your chosen payment method.

Refunds.

In general, not all fees for purchases are refundable, and there can be no refunds or receivables for partially used periods. We may make an exception if a refund request has been made for a subscription option within fourteen days of the transaction date, or if the laws applicable in your jurisdiction provide for a refund.

For subscribers residing in the EU or European Economic Area, you are entitled to a full refund without specifying the reason for 14 days after the start of the subscription, in accordance with local law. Please note that this 14-day period is effective from the start of the subscription.

To request a refund:

If you subscribed using your Apple ID, refunds are handled by Apple, not Hot-Pet. To request a refund, go to iTunes, click on your Apple ID, select “Purchase History,” find the transaction, and click “Report a Problem.” Also

<https://getsupport.apple.com> you can also send a request from your address.

Using your account Google Play Store, or directly Hot-if you have subscribed via your Pet: Please the Google Play Store (or order number in the verification email by logging into Google Wallet, you can find it) or hot-pet with your order number (you can find verification of this in your email) to contact **customer support**. You may also, as a buyer, post or forward

a signed and dated notice stating that you have cancelled this agreement or similar words. Please include the email address or phone number associated with your account along with your order number. Address to which this notification will be sent: help@hot-pet.com

If you use your right to cancel (except for purchases made through the Apple ID that is controlled by Apple), without excessive delay and in any case within 14 days of receiving notice of your decision to cancel the contract we will refund any payments we receive from you (or Google, we will request to return). We will make such refund using the payment method used by you in the first place. In any case, no fees will be charged to you due to the refund.

You may not cancel an order for delivery of digital content that is not delivered in a physical vehicle when the order process begins with your explicit confirmation and acceptance that you will lose your right to cancel earlier. This means that such purchases are final and will not be repaid.

Pricing

Hot-Pet operates a global business and serves a variety of members. Our pricing structure may vary depending on region, subscription duration, package size, available in-app promotions, and other factors. We frequently test new features and price points to give members more functionality and payment options.
